```
     C              am             F               C
I am sailing, I am sailing home again cross the sea
     D7              am            dm              C    G7
I am sailing stormy waters to be near you to be free

     C             am             F               C
I am flying, I am flying like a bird cross the sky
     D7              am
I am flying passing high clouds
      dm              C    G7
to be with you to be free

        C                am
Can you hear me can you hear me
           F                C
trough the dark night far away
     D7             am
I am dying forever trying
      dm               C    G7
to be with you who can say

     C              am             F               C
I am sailing, I am sailing home again cross the sea
     D7              am            dm              C    G7
I am sailing stormy waters to be near you to be free
