Bye bye love (Simon and Garfunkel)

```
    D                  A7                      D
1.  There goes my baby | With someone new
                      A7                     D
    She sure looks happy | I sure am blue
                 G                          A7
    She was my baby | Till he stepped in
                 G      A7                       D
    Goodbye to romance | That might have been
```

    Hello loneliness | I think I'm gonna cry
    G          D    G           D
    Bye bye love | Bye bye sweet caress
    G     D                              A7        D
    Hello emptiness | I feel like I could die
                 A7         D
    Bye bye my love, goodbye
```

2. I'm through with romance
I'm through with love
I'm through with counting
The stars above
And here's the reason
That I'm so free
My loving baby
Is through with me
