

## NIGHTS IN WHITE SATIN (Moody Blues)

Em    D    Em    D  
Nights in white satin    never reaching the end  
C    G    F    Em  
Letters I've written    never meaning to send  
Em    D    Em    D  
Beauty I'd always missed    with these eyes before  
C    G    F    Em  
Just what the truth is    I can't say anymore

### CHORUS :

    A    C  
Cause I love you, yes I love you  
    Em    D    Em    D  
Ohhh how I love you

Em    D    Em    D  
Gazing at people,    some hand in hand  
C    G    F    Em    Em  
Just what I'm going through    they can't understand  
Em    D    Em    D  
Some try to tell me    thoughts they cannot defend  
C    G    F    Em  
Just what you want to be,    you'll be in the end
