

# San Francisco (Scott McKenzie)

Einstieg: G / Em

1.                   C           G           D           Em  
If you're going to San Francisco  
                  C           G                   D    Em  
Be sure to wear some flowers in your hair  
                  G           C           G  
If you're going to San Francisco  
                  Hm           Em                   D    Em  
You're gonna meet some gentle people there  
                  C           G           D           Em  
For those who come to San Francisco  
                  C           G                   D    Em  
Summertime will be a love-in there  
                  G           C           G  
In the streets of San Francisco  
                  Hm           Em                   D  
Gentle people with flowers in their hair

## CH           CHORUS :

F  
All across the nation  
  G  
Such a strange vibration  
  F  
People in motion  
  
There's a whole generation  
  G  
With a new explanation  
  D                   Em  
People in motion, people in motion

2.                   C           G           D           Em  
For those who come to San Francisco  
                  C           G                   D    Em  
Be sure to wear some flowers in your hair  
                  G           C           G  
If you come to San Francisco  
                  Hm           Em                   D  
Summertime will be a love-in there

## CH           CHORUS

END           G           C           G  
If you come to San Francisco  
                  Em           C                   D    G  
Summertime will be a love-in there
